Welcome to The Oxfordshire Golf, Hotel & Spa

When looking for world-class hotels in Oxford the Oxfordshire is situated in the heart of the beautiful Chilterns. Accessible, comfortable and luxurious, the hotel and resort offer a championship golf course, unrivalled business and conferencing facilities, and the very best in wedding services. Whether you are looking for a romantic break away, an outstanding golf experience or a memorable venue for your business networking, we have what you need to ensure a perfect stay.

Golf At The Oxfordshire

There are few locations as exquisite as The Oxfordshire when it comes to playing on a championship golf course. Set in the heart of the picturesque Chilterns, our world-class course offers a wealth of challenges. Designed and built by the world-renowned architect Rees Jones, his first in Britain. No expense has been spared in creating this beautiful course. A tactical blend of bunkering, strategically placed lakes, wispy rough and wind make this a real challenge. Combine that with its natural beauty and you have everything you need for an outstanding game.

Tempus Spa

Relaxation, pampering and the ultimate in high-end luxurious treatments. Welcome to our exclusive Tempus Spa, which offers an unparalleled environment for unwinding after a busy day. With friendly experienced practitioners, a calming and ambient atmosphere and the very best products, the only problem you may have when you visit our spa is deciding which of the many treatments to choose from.

With a range of manicures, facials, massages and tanning packages, treat yourself to an outstanding relaxation experience in the Japanese-inspired treatment rooms with candles, soft music and a warm atmosphere conducive to the ultimate pampering experience.

Meetings And Events
